

Love Mentor Restore

iThemba RANCH

Situated on Teddy Farms, Eureka, East London
New Leader Application Form:

iThemba Ranch is ...

A place for Children and Horses to work together, finding Peace, Love, Joy, Hope and acceptance.

A place for the children to find themselves, to learn life's lessons, which the horses teach so well, but above all to find Hope.

The ranch is based on Christian principles and values, It is God that is the ultimate healer, our volunteers and horses are just the vessels He uses.

Each child is paired with one leader and one horse. Our sessions are designed to meet the individual needs of each child. Instead of being lost in a group, every child is nurtured by a leader.

Cost: iThemba Ranch is offered free to all children that come

Our program is offered to children from ages 6 – 18 years

Regretfully iThemba Ranch does not provide transport

The session program at iThemba Ranch has one main purpose and that is to Mentor the child. We have many different activities to accomplish this. Some of these activities include; crafts, games, chores, spending time with a horse, riding and paddling, ect...

Before filling in this application please take some time to consider the following:

As Leaders, we shape the lives of these children and therefore when we take this on we realize the responsibility that it entails. God uses our hands to mend their broken hearts. To mend a broken heart it is vital to build trust between ourselves and the children we teach. To earn trust the child needs to see from you – dependency, a joyful spirit, a patient heart, consistently and most importantly unconditional love. Remember we are the guardians God has sent these children, they look up to us and they depend on us to be there where light is not.

I am not relying on ITHEMBA RANCH to provide a certified helmet for me or check any headgear/helmet or helmet strap that I may wear, or to monitor my compliance with this suggestion at any time now or in the future.
